

Hi Shannon,

I wanted to personally thank you for the time and effort you put into your GIFT! You have no idea how being a part of your class has changed my life. I must say, I have become a better MOM, friend, and PERSON since attending the classes that started in October. Your class is one of the many things that I was glad to be a part of. I have stated applying many of them to my daily life, and I am starting to see the fruit of my labor :)

I cannot thank you enough for sharing and caring for others, by taking the time to help us in becoming better mothers, friends, and individuals.

I wish you much success in all your endeavors! Please feel free to keep me informed on any/all speaking engagements and classes you are a part of. I will definitely be one of the parents that will proudly speak to the Inglewood School District on your behalf.

Happy Holidays to you and your family!!

Best Regards,
